FOUR WAYS TO BUY MODEL CAR RACING:

How to order your personal copies of Model Car Racing magazine

YOUR MAGAZINE
To see a sample of the magazine take a look at the free (really!) six articles and more from the current issue by clicking on "Digital Edition" on the top bar of the home page. You can also click on “Contents” and see the full listing of the additional articles that are in the paper (and the Digital) edition of Model Car Racing. This issue's "New Stuff", "Editorial" and "Ask The Experts" pages are also available, just click on the bars in the left box on the home page or on the "Contents". Also, six articles and more of issues #59 through to the current issue are accessible under the "Sample Issues" link on the top bar.

Best Quality Choice:

Subscribe to both the paper edition (1) & the “iPad Edition “ (3) or “Digital Edition”(2)

Best Value Choice:

Subscribe to the Electronic Edition (4) and download and print only the articles you to want to save.

(1.) THE PAPER MAGAZINE DELIVERED TO YOUR DOOR
Subscribe to the paper edition mailed to your door by clicking under the top link "Subscribe" on the home page. The “paper versions are just $35.00 for six issues---that sixth issue is just 25 cents.

Issues 1 through 90 are sold out. We're sorry, but if we did not receive your subscription order by September 15, 2016 your first magazine will be issue #90, the January/February 2017 number 91 issue. Issue #91 should be available by October 15, 2016. You may still be able to find a copy of issues 88, 89 or 90 at some of the hobby dealers on our directory under "Dealers".

NOTE: The $35.00 subscription is ONLY for six copes of the paper edition. If you also want the Digital Editions, iPad or Electronic Editions it is an additional $29.99 for six issues. There are no “bundles” of paper and Digital Editions, iPad or Electronic Editions available. Only the Electronic Edition can be downloaded and printed.

(2.) INSTANT "DIGITAL EDITION" DELIVERY
We have created a completely new digital version of *Model Car Racing*. The Digital Edition version has exactly the same articles and pages as the paper

version but it can be read on any devise, a smart phone, tablet, PC or home computer. This edition can be enlarged on your screen to several-times the size of the page of paper or “Electronic Edition” pages. You can see a sample of about one-third of the articles in a typical issue of the new electronic edition by clicking on the top bar under "Digital Edition".

Current Digital Edition issues are available for $4.99 each or as a $29.99 subscription for 6 issues by clicking on “Digital Edition”.

(3.) INSTANT "iPad EDITION" DELIVERY
The electronic version of the magazine is also available as an interactive iPad Edition---we cannot process orders for iPad downloads—they must be ordered directly from the Apple iTunes store. The iPad Edition is interactive with direct one-click links to most of the products that are featured in that issue. The IPad Edition can also be enlarged on your screen to several-times the size of the page of paper or “Electronic Edition” pages. You can see a “Free Sample Edition” with about one-third of the articles in a typical iPad Edition on the iTunes website.

The Digital Edition and iPad Edition of Model Car Racing cannot be downloaded for security purposes. There is currently no way to print the Digital Edition or the iPad edition but you can download and print the “Electronic Edition (below). Back issues starting with issue number 55 are available as Digital Editions or as IPad Editions.

(4.) INSTANT "ELECTRONIC EDITION" DELIVERY
The new Electronic Edition of *Model Car Racing* has exactly the same articles and pages as the paper version but it can be read on any devise, a smart phone, tablet, PC or home computer. It is delivered as a page-turning format but it can also be downloaded as a pdf to read or to print in that format. This edition can only be enlarged by about 50-percent more than the size of the page of the paper edition pages. However, this is the only Internet or web version of the magazine that can be printed (by downloading the free pdf) and it can be searched. No back issues of the Electronic Edition are available

Current Electronic Edition issues are available for $4.99 each or as a $29.99 subscription for 6 issues by clicking on “Subscribe”.

Internet Editions NOTE: The Digital Edition, the iPad Edition and the Electronic Edition are only achieved electronically so you must save the link to access it. You can , however, archive e the Electronic Edition by downloading each issue as a pdf.

Paper Edition NOTE: if you do opt for the Digital Edition, the iPad Edition or the Electronic Edition and you also want the paper edition, you must ALSO purchase the $35.00 paper subscription---there are no “bundle” packages that

include paper and the Digital Edition, the iPad Edition or the Electronic Edition. Note that neither the Digital Edition or iPad version can be downloaded or printed.

We can only print the paper edition on about the 15th of every odd-numbered month so mail delivery can take add a week or more beyond the time of delivery of the Internet editions.

YOU CAN HAVE MODEL CAR RACING DELIVERED TO YOUR COMPUTER & YOUR MAILBOX

Best Quality Choice:

Subscribe to both the paper edition and the "iPad Edition "

Or

Subscribe to both the paper edition and the "Digital Edition"

Best Value Choice:

Subscribe to the Electronic Edition and download and print only the articles you to want to save.

To subscribe to the paper and/or Digital versions of the magazine, you have three choices:
1. Use our secure server under "Subscribe" (for the paper or Electronic Edition) or under "Digital Edition" (for Digital Edition) to place an email order.
2. Download the order blank from the "Subscribe" page from the website (or copy or tear-out the page) and enclose a check, money order or credit card information.
3. Buy individual magazines from your local dealer or one of the other dealers listed the website.

Back issues starting with issue #55 are available ONLY as Digital Editions by clicking on "Digital Edition" on the top bar (or ordering the IPad versions directly from Apple). We are sold out of all paper back issues and the special Limited Edition package that included the complete first year (2002) of Model Car Racing magazine (issues 1-6 only) and a collector's edition Cadillac Northstar Le Mans car, but a few and most paper back issues may be available from Electric Dreams (www.electricdreams.com).

Beginning October 5, 2007 we can no longer accept orders from Canadian or other foreign subscribers for the “paper” version of the magazine, but you can order the Digital Edition ONLY version for $29.99 from our secure web order service, click on "Digital Edition" on top bar. The address you enter must match that on your credit card statement and you must type-in the state or province. New or renewal Canadian and other foreign subscriptions for the paper version will no longer be accepted. We are sorry, but the postal services in most countries are taking eight weeks and more to send the paper copy of the magazine when they deliver it at all. Only subscriptions for the United States will be accepted for the paper version of the magazine. We have a network of dealers in Canada, Europe, Japan and in Australia listed on this website (just click on the bar "Model Resources" at top of the home page, then on "Dealers") that will be pleased to supply the paper version of the magazine.

Note that we cannot provide refunds on any purchased magazines.
We do not share any of your contact information with electronic or physical addresses.
